

Holiday Charity Benefit

*assisting families in the West Allis and
West Milwaukee community*

Greetings...

The West Allis / West Milwaukee Chamber of Commerce presents its annual Holiday Charity Benefit at Steakhouse 100. The proceeds from this event benefit the Holiday Helper Program which provides food & gift cards for less fortunate individuals and families in our communities.

The benefit will feature live music by Eric Look, a silent auction and other raffle items and delicious cuisine from Steakhouse 100.

If you cannot attend, please consider a monetary donation. Donations of raffle items and/or gift certificates for our raffle and silent auction would be appreciated.
