

The city of West Allis has installed free public wireless hot spots around the City. Any person with a laptop computer with a 802.11B,G wireless card may access the INTERNET at various parks and buildings around the city. For a current list of hot spots please visit our web site at [www.ci.west-allis.wi.us](http://www.ci.west-allis.wi.us) and search for 'hot spots'. The wireless Internet Access provided by the City of West Allis is for use free of charge to its citizens and guests. Wireless Access is provided on an "as is" and "as available" basis.

## To connect to a city provided hot spot:

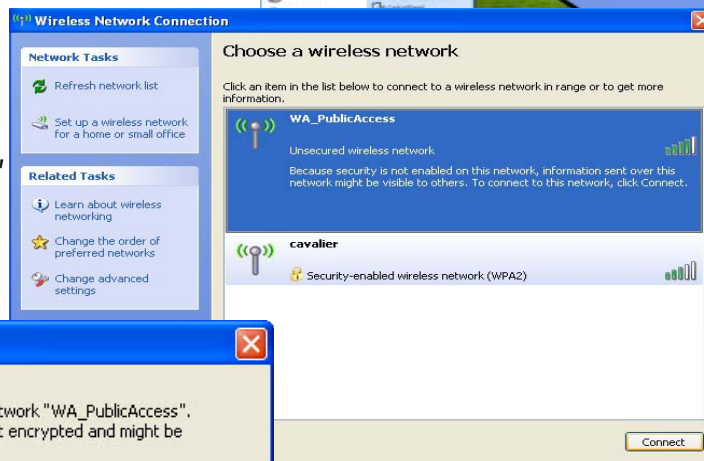

1: Right-click on the wireless network icon on the Windows task bar.

2: Left-click on "View Available Wireless Networks"

3: Select "WA\_PublicAccess" and left-click the "Connect" button.

4: Click "Connect Anyway" if the following message appears.

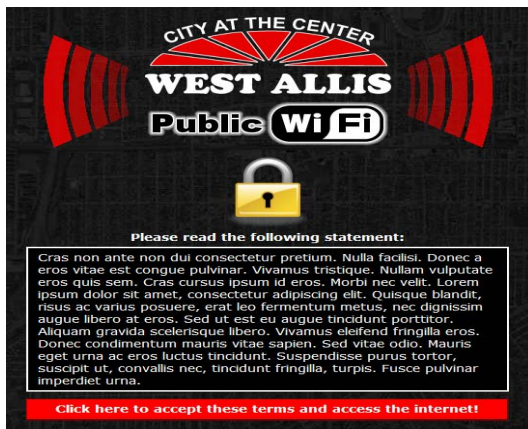

5: Launch your Internet Browser of choice.

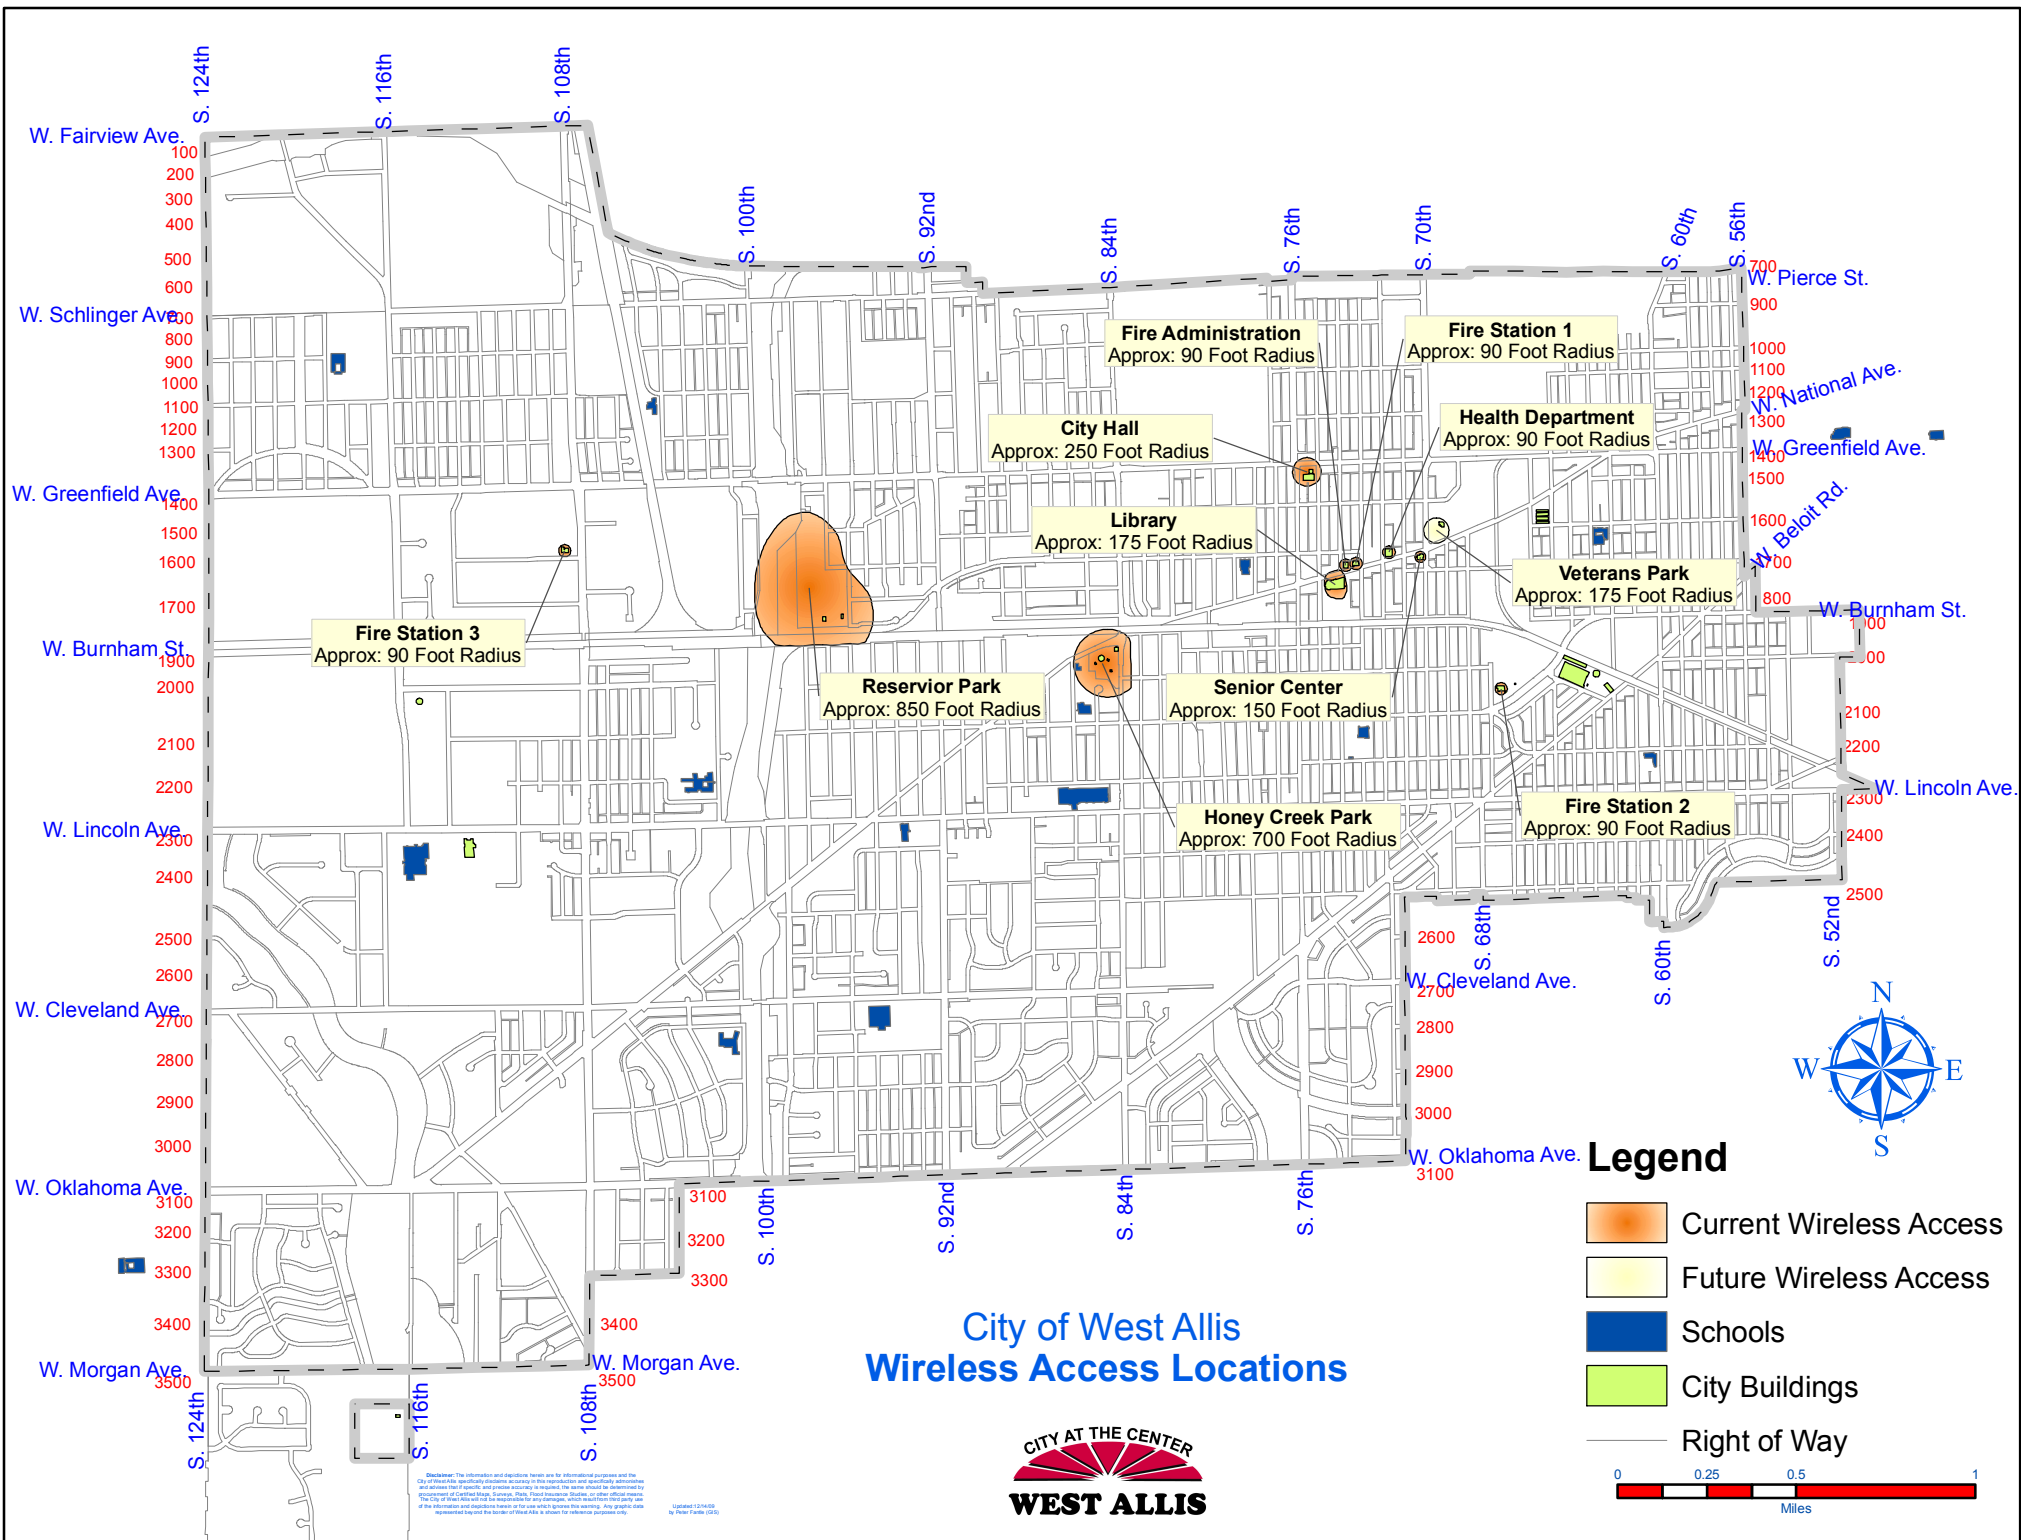

6: You will be presented with the City of West Allis' Public WiFi policy. Read it, and press "Click here to accept these terms and access the internet!" if you agree.

7: Close, and restart your Internet Browser.

8: You are now free to browse the Internet!
